WINEMAKER NOTES

A generous pour of 2013 “Adentro” Cabernet Sauvignon reveals ripe fruit aromatics of plum, sweet strawberry, blueberry, and prune undertones. Medium toasted New French Oak, characterized by butterscotch and lightly roasted coffee, gently supports the immensely perfumed nose. The body shows restraint, perfectly supporting bright red fruits and lively, refreshing acidity. Youthful and plentiful fine grain tannins provide structure that will allow this wine to cellar for a decade or longer. “Aribba, Abajo, Al Centro, Adentro!”
